ICON, MOTHER OF THE NATION  
MAMA NOMZAMO WINIFRED MADIKIZELA-MANDELA**

The Embassy of the Republic of South Sudan, on behalf of the Sudan People's Liberation Movement (SPLM), the Government of the Republic of South Sudan and its people would like to join the African National Congress (ANC) and the entire people of the Republic of South Africa, in mourning the untimely passing away of our mother, comrade and a struggle icon, Mama Winnie Madikizela-Mandela that occurred on Monday 2<sup>nd</sup> April, 2018.

It is with deepest sorrow that the Embassy writes this message because our two movements have stood shoulder to shoulder in pursuing freedom for both the people of our two sisterly countries.

Mama Winnie as she was affectionately known as a stalwart joining a long list of dedicated comrades to the liberation that passionately committed against apartheid and colonialism until they fulfilled the freedom.

Our deepest condolences to all comrades of the African National Congress and its Alliance partners, to the family of Mama Winnie and to the Nation of South African in general.

May the Soul of Mama Winnie rest in eternal peace.
